

## COMPREHENSIVE CURRICULUM VITA

### John F. Warren, III

840 West Fourth Street \* Winston-Salem, North Carolina 27101  
Office: 336.773.0900 or 866.761.0764 \* FAX: 336.773.0097  
Cell: 336.416.3938 \* DrWarren@JohnWarrenPhD.com

#### Primary Professional Affiliations

*John F. Warren & Associates* staff provides complex medical and forensic psychological evaluations, specializing in evaluations of patients and litigants in family, civil, criminal, and other legal proceedings. In addition to conducting evaluations across the state, the practice staffs the 21<sup>st</sup> Judicial District's juvenile court psychology office. [www.johnwarrenphd.com](http://www.johnwarrenphd.com)

Warren is a principal in *The FMRT Group* – providing fitness, medical, risk of violence, and training services to over 120 NC law enforcement agencies. The Group provides online employment screening services, comprehensive medical-psychological-drug pre-employment evaluations, Fitness for Duty evaluations, risk of violence assessments and management, and specialized training for client agencies. [www.fmrt.com](http://www.fmrt.com)

*Ardmore Family Practice* serves patients throughout the lifespan, obstetrics through geriatrics. John Warren practices on a part-time basis with three, board certified family physicians and two other midlevel practitioners. His particular areas of interest include men's health, metabolic syndrome, and psychopharmacology. [www.ardmorefamilypractice.com](http://www.ardmorefamilypractice.com)

#### Other Affiliations

Warren serves as a Peer Reviewer to the *Journal of the American Academy of Physician Assistants* and reviewer to *PsycCRITIQUES—Contemporary Psychology: APA Review of Books*.

Since participating in the Police Academy in 1988 Warren has served as a psychology consultant to the Winston-Salem Police Department.

With prior teaching experience as Adjunct Assistant Professor at High Point University, Wake Forest University, and Winston-Salem State University, Warren now lectures on medical and forensic psychology issues in undergraduate and graduate psychology courses, and in law school courses. He has previously taught courses in abnormal, cognitive, introductory and social psychology.

Warren has contracted in the past with the North Carolina Department of Correction, providing 1) assessment services for Correctional Officer selection, 2) training services for mental health staff members, and 3) development and treatment services for incarcerated sex offenders at two NC DOC facilities.
